Extension leads

## Drakes Island Room

This smaller space, with stunning views of Drakes Island and Plymouth Sound is ideal for small meetings or for use as a breakout space during larger meetings and events. The window seats and comfortable chairs alongside the table and chairs means this room has an informal feel and can be set up to meet your needs. Please note, no AV equipment is available in this room.

Maximum capacity: Seated at table 6, as a breakout space 10.

## Resource Centre – Teaching Laboratory

The Resource Centre offers optimal flexibility to provide either a large teaching laboratory, or a space that can be divided into a teaching laboratory and a separate or semi-separate lecture space. A variety of set up options are shown below to give you an idea of what is possible, and we can set it up bespoke to your requirements.

### **Pairs facing front**

Maximum capacity: 16

## Resource Centre – Teaching Laboratory

### Pairs facing front

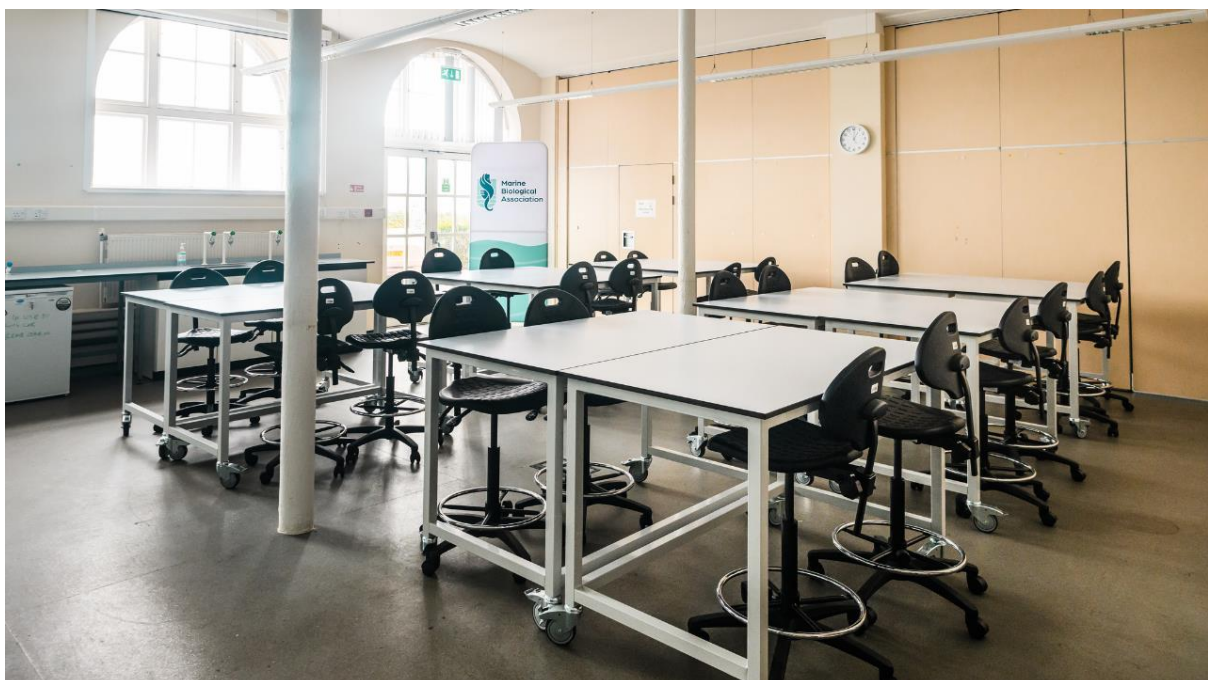

(whole room, please note due to acoustics it may not be possible for all students to hear someone teaching at the front of the room, but this set up is suitable where students will be working on a task and you will move between them)

Maximum capacity: 32

### Group style (4 to a table)

Maximum capacity: 26

## Resource Centre – Teaching Laboratory

**Group style (8 to a table)**

Maximum capacity: 16 (plus space for more around the edges)

## Resource Centre – Lecture Space

*Please note you will need to bring any lecture materials on a memory stick as it will not be possible to connect your own laptop to the system*
